OUR APPROACH

Our interdisciplinary approach offers many benefits for our clients. By combining different skills and knowledge, we create effective treatment plans that address all aspects of a person's needs. This teamwork leads to a more efficient recovery and improved outcomes.

We use the latest technology and research to ensure that you have access to the best resources to facilitate your journey.

Our team is composed of highly qualified and experienced Allied Health professionals, including;

- Physiotherapists
- Occupational Therapists
- Speech Pathologists
- Exercise Physiologists
- Psychologists
- Social Workers

ONE Rehabilitation Service works with clients that have a compensation claim, are participants of the NDIS, Lifetime Support Authority, Return to Work SA, have private health cover or are self-funding their rehabilitation.
